## Design

- Color: Gold

# Highlights

## Vibrating pads

Three padding feet vibrate at a high speed of 3600 rpm to vigorously loosen dust and dirt from inside soft surfaces.

## Powerful Vacuuming Motor

The combination of a powerful 450 W motor and 8.2 cm suction vent will ensure the effective removal of dust and mites from soft surfaces, reducing the allergens in your home.

## Suitable for all soft surfaces

Effectively and safely remove dust and mites from beds, sofas, plush toys, cushions and all other soft surfaces for an allergy friendly home.

## Cleaning mode selection

Three different modes allow you to select particular settings for cleaning specific surfaces, to better suit your cleaning needs.

## Philips UV Light

Includes Philips UV light.

## Auto off for UV light

Three safety sensors detect if product is in contact with a surface or not. It will automatically shut off the UV light to ensure safe operation, always.

## Dust container sensor

Warning signal to ensure that dust container is well placed.

## Easy to empty dust container

An easy to operate dust container makes the disposal of dust both simple and hygienic.

## Small Maintenance Brush

Small brush is included to keep your product clean.

## Easy reach

5 meter cord allows for easy reach.

## EPA Filter

The EPA 12 Filters captures 99.5% of fine dust particles while filtering the exhaust air. This keeps dust securely within the container, preventing secondary contamination.
